NOTE—Contn. sheet.

Copy of letter R.O.C.No.5125/Rev. of 1918 dated 16th December 1918 from the Collector of Coimbatore, Coimbatore to the Director of Civil Supplies, Madras.

The Kollegal Sub Committee of the Emergency and Publicity Committee, Coimbatore district, have resolved at a meeting held on 25th November 1918 that the people of Mysore State holding lands in Kollegal Taluk should be permitted to remove to their villages the produce of these lands provided that the Mysore authorities accord similar permission to the people of Kollegal holding lands in the Mysore State. Harvests have already commenced and the Mysore Ryots are being allowed to remove to their village the produce of their lands in Kollegal Taluk. As the people of Kollegal holding lands in Mysore should have a similar concession, I have the honour to request you to address the Director of Civil Supplies, Bangalore on the subject and get the necessary permission as early as possible.

B a n g a l o r e.

Sir,

With reference to your letter No. G.13797-8/P.P.16-18-141 dated 8th January 1919, calling for my opinion as to Mysore ryots holding lands in Kollegal taluk being permitted to remove the produce of their lands into their villages and vice versa, I have the honour to state that when this subject was considered by the Food Supplies Committee at the meeting held on the 17th December 1918, it was thought that reciprocity might be arranged for in this respect. In practice, however, this will be found very difficult and is likely to lead to considerable exports of grain from the State on the pretext of its being the produce of lands in the holding of British ryots. I am, therefore, of the opinion that as arranged at the Conference with Madras officers such inter-change of traffic may be left to local officers to arrange on a weight for weight basis.

I have the honour to be,
Sir,
